RINGTONS TEA

The Ringtons story dates back to 1907, when founder Samuel Smith OBE began selling tea from a horse and cart in Newcastle upon Tyne. Today, Ringtons remains a family business in its fifth generation, with tea still at its heart.

For over 100 years, local Ringtons rounds have been serving communities. While the horse and cart may be a thing of the past, their ethos remains unchanged – their baskets are always filled with the finest and tastiest teas, coffees, biscuits, and treats.
